While a transfer and assumption is a loan servicing action, it is subject to an Agency review of its credit quality, and must be in compliance with published eligibility requirements set forth in RD Instruction 4279-B, section 4279.108. This would normally require submitting a new application; business plans with pro forma balance sheets, 2 years projected balance sheets and income statement, in addition to the lender's financial analysis of the new business and current guarantor financial statements. In addition, you must ensure that the transfer and assumption to a new entity does not exceed the maximum terms that the Agency can extend as set forth in

EXPIRATION DATE:
October 31, 2007

FILING INSTRUCTIONS:
Preceding RD Instructions 4287-B and 4280-B

RD Instruction 4279-B, section 4279.126(a). For example, as it relates to machinery and equipment, the maximum term for which the Agency can extend a guarantee is 15 years or the useful life of the machinery and equipment, whichever is less.

All transfers and assumptions will be approved in writing by the Agency. A transfer and assumption can be for the total indebtedness to another eligible borrower at the same rates and terms or, under certain circumstances, different rates and terms (see 4287.134(b)). A transfer can also occur for less than the total indebtedness at the same rates and terms or different rates and terms.

In any case, the transferor, including any guarantor(s), may be released from liability by the lender with the Agency's prior written concurrence only when the value of the collateral being transferred is at least equal to the amount of the loan being assumed and is supported by a current appraisal and a current financial statement. In accordance with RD Instruction 4279-B, section 4279.149, the lender should obtain new personal and/or corporate guarantee(s) from all that have a 20 percent or more interest in the transferee.

All Section 9006 Renewable Energy Systems and Energy Efficiency Improvements Guaranteed Loans will be serviced in accordance with RD Instruction 4280-B, section 4280.152.
